Valley & Vines Festival 2014

WHAT IS VALLEY & VINES?

Valley & Vines is Swan Valley's newest boutique wine festival for the Swan Valley, which will showcase the region for food and wine lovers across four venues throughout the Valley. This event celebrates the renowned wine district of the Swan Valley and allows people to take it at their own pace and enjoy the picturesque location.

Happening on Saturday 5th April from 11am - 4.30pm, festival goers will be able to choose their own itinerary for the day by booking three sessions throughout the day at their choice of location. Each session will be 1.5 hours long with a 30-minute break in between all sessions.

Each venue caters to your style; relaxing, party going or a little bit unique. Whatever you desire, the Swan Valley premier chefs and restaurants will feed your senses while wine makers will share their amazing vintages with you.

Soak up the atmosphere and meet up with friends and family on the first Saturday in April at Valley & Vines in the Swan Valley.
